

GREEN EARTH VISION

LAUNCHPAD SUMMIT

Green Earth Visions LaunchPad Summit is a 4 day / 5 night all-inclusive* event offered to a select few people. Within this event you will get to experience Games and Processes that help run the heart of the operation. Organic Vegetarian Dishes will be served at Coravida Retreat Center located in Central Pacific Costa Rica. During this event you will discover a snapshot of the Immense Vision for a Green Earth Given by the owners of Green Earth Vision. We respect and promote private time in between sessions for reflection. We also will take time to enjoy the beaches and beautiful nature surrounding our location.

Guests will participate in:

- all levels yoga sessions
- meditation sessions where you can focus on posture, breathing and positive thinking
- heart clearing and true life path personal coaching sessions
- mastermind sessions
- self expression
- creative energy
- full potential meditations
- two vegetarian/healthy meals that are prepared and served daily

Extra workshops and activities can also be incorporated into daily schedules:

- The Raindrop spa for massage and body treatments
- Surfing lessons
- Manuel Antonio National Park
- Horseback riding

By the end of the event you will feel balanced, be enlightened and have re-assessed where you want to be in life and what you want from your time on this planet. We will stick around for a few days after the event

All-inclusive 4day/5 night Summit Event at Coravida is offered to 10 of the participants for free.

If you are receiving this, you are eligible for one of the ten spots. This does not include any travel. At the end, we will have an opportunity to donate if so chosen.
